SUCCESS STORY

BOILER INDIA
2020

220+ Exhibitors

10000+ Visitors

4600+ Delegate

24+ Seminars

150+ Award Entries

BOILER INDIA
2022

240+ Exhibitors

23000+ Visitors

2500+ Delegate

30+ Seminars

200+ Award Entries

42+ Visiting Countries

BOILER WORLD
AFRICA 2023

120+ Exhibitors

3000+ Visitors

300+ Delegate

8+ Seminars

15+ Visiting Countries

Dates: 25 - 27 September 2024
Venue: CIDCO Exhibition and
Convention Centre, Mumbai

The right platform for networking & business generation!

The event shall witness leading companies from various industries such as

Boiler & allied
product

Environment

Engineering &
steam solution

Food &
beverage

Chemical

Power
generation

Sugar

Pharmaceutical

Textile

Refinery

Pulp & paper

Paint & dye

Distillery

Steel

EXHIBITOR PROFILE

**Manufacturers
Distributors
Service providers
Traders**

- Boilers & boiler accessories
- Turbines
- Direct steam suppliers
- Burners, burner spare parts
- Combustion & burner control products
- Thermic fluid heaters, hot air/gas generators, steam coil air preheaters
- Pipes: stainless steel, flanged, galvanised, black steel
- Industrial metal and steel pipe fittings and flanges
- Valves and fittings : pneumatic, hydraulic, industrial
- Submersible, centrifugal, monoblock, diesel, hydraulic
- Heat resistant material, refractories, etc.
- Measuring instruments & equipment, pix transmissions

- Industrial air blowers, cooling fans, exhaust fans, ventilation systems and parts
- Process tanks, pressure vessels
- Cooling towers, heat exchangers, components, parts & spares
- Air compressors, gas compressors & accessories and compressor parts
- Air Pollution control equipment/services, electrostatic precipitators
- Water treatment, purification, wastewater treatment, effluent treatment plants & services
- Environment protection, energy conservation units & audit services
- Material handling equipment
- Fasteners, nails, rivets, shackles, tie rods and turnbuckles
- Bellows, assemblies & supplies, suction cups, cable drums, industrial fixtures
- Casting machines, moulding machines, foundry machineries, forging machines, belts
- Industrial welding & repairs
- Generators, generator parts, alternators
- Petroleum refinery products
- NDT services and labs
- Chemical reactors & refineries
- Operation and maintenance services
- Biomass and biofuel products
- Industrial safety/fire safety & control equipment
- Industrial suits and fibreglass
- Electrical, fire & other proofing equipment
- Industrial scaffolding

VISITOR PROFILE

- Purchase personnel from boiler-buying industries from across the globe
- Purchase personnel from boiler manufacturing giants looking for component & ancillary manufacturers / traders
- Design engineers, consultants, renewable energy project developers and other service providers
- Engineers & Operators looking for newer technologies to increase efficiency, safety & environmental protection
- Investors, bankers, venture capitalists
- Regulatory authorities, policy makers, urban planning specialists and utility & energy companies
- Agencies dealing in Instrumentation
- R&D institutions
- Academicians & students

WHY PARTICIPATE?

A plethora of unleashed potentials awaits

- Connect with the global heat & steam industry under one roof
- Network with large-scale prospective buyers from across the globe
- Interact with the regulatory authorities
- Get exposed to novel technologies and advancements in the industry
- Explore prospective alliances for profitable business collaborations
- Find high-quality, global and diverse product/service vendors under one roof
- Optimize on boundless employment and skill development opportunities

**BOILER
INDIA 2024**

KNOWLEDGE SESSIONS (SEMINARS)

Know it all about the industrial scenario, latest trends & developments, entry barriers and opportunities, manufacturing regulations, skill development opportunities, etc.

- Professionals from boiler & heat transfer industry ● Steam generators/users
- Career seekers in the boiler/steam industry ● Designers & consultants in heat/steam industry
- Heat exchangers & pressure vessel manufacturers
- Boiler, boiler components and ancillary units manufacturers
- Academia, government/trade authorities/policy makers ● Inspection authorities
- Testing & certifying agencies ● Water chemistry professionals
- Water treatment plant manufacturers & operators
- Professionals working in the field of effluent treatment, ash utilisation & pollution control

WHY ATTEND?

- Opportunity to meet leaders, experts, manufacturers and industry giants
- Exposure to state of the art technological development, facilitating manufacturers to build efficient, cost-effective & environment-friendly boilers
- Opportunity to promote product and services
- For detailed understanding of various international codes such as ASME, ASTM, GHOST, IBR, ANSI, AGA, API, BS, ISO, DIN and more
- To know of practical solutions to common challenges
- Receive expert advice on boiler and boiler component selection
- Exposure to relevant case studies and critical discussions with the industry
- Network with government authorities and technical experts
- Attend BOILER INDIA 2024 expo at the same venue

BEST BOILER USER AWARDS

These awards were introduced in BOILER INDIA 2020 with a vision to recognise

- Enhancement in boiler performance
- Enhancement in combustion and thermal efficiency
- Emergence of newer, cleaner & environment-friendly technologies
- Adoption of effective safety measures & pollution control practices

Award categories

- Power plants ● Captive/co-generation (steel/cement/chemical/petrochem)
- Sugar factories ● Pharma/chemical/dairy/hotels/food
- Textile houses/process houses/edible oil/paper/ordnance/distilleries
- Sizing/rice mills/other small industries including SIB type of boilers

A rich content-led newsletter for the heat and steam industry.

Interact | Collaborate | Contribute

10+ successful editions
with articles from **40+** authors
50+ enriching articles/case studies
reaching the inbox of **100000+** readers
from over **60** countries.

Submit your technical articles/papers/case studies to feature in the
steam industry's most read e-newsletter.

Your place in this steam journal matters!
